Editor's Thoughts...

By Pam Dixon

A few things are coming up in our council that I want to share. First, if you know an Eagle Scout that will be graduating this year, let him know about the Belcher Eagle Scout Scholarship. More information about this is on page 7 of our newsletter. This is a great local scholarship that we need to let all our Eagle Scouts know about.

Mark your calendars for Saturday, April 24th. Our district is teaming up with our local Rotary Clubs for "A Day of Service." We are fortunate to have Terry Nani leading us in this event for our members. Look for more information on how to sign up soon.

A Note from the District Chair

By Frank Kebelman

Dear Friends,

Happy 100th Birthday! I hope every Scout and Scouter has something special planned to help celebrate this important event. Let's make this day an anniversary to remember.

In the coming days you will see several announcements about programs that San Diego-Imperial Council is sponsoring. First, and most important, is the 2010 Friends of Scouting (FOS) campaign. As you may know, our Council, like nearly every BSA Council, operates on a very limited budget. Every penny donated helps support the overall Scout program and all our activities. Laura Mulroy, will be contacting units to schedule an FOS presentation during February. This year would be a wonderful opportunity to rededicate ourselves to Scouting and its aims by making a generous contribution. Thank you for supporting this vital fund-raising activity.

I also recently attended planning meetings for both the 2010 Scouting for Food and Scout Fair Ticket Sale campaigns. Our Scouting for Food program will take place on 6 and 13 March, and should be more convenient for the Scouts this year. Instead of using special Scout-labeled bags, the Scouts will deliver door hanger flyers/announcements on the 6th, and then return using our own plastic bags (trash bags from home – we all have them) to retrieve the food. And unlike previous years, the food can then be

Santa Margarita District Planning Meeting

On January 23rd, district members gathered to discuss the direction and goals of our district for 2010. It looks like there are some great plans and fun activities in the works for the upcoming year.

The goals that were discussed and agreed upon include:

Membership: In 2010, grow to 2,827 youth members from 2,799. 1% gain.

Units: Add one net new unit for 2010. We ended at 132 units, so this would take us to 133.

Friends of Scouting: Our goal was established by council at \$98,000. (We raised \$99,000 in 2009).

Centennial Quality Award units: 60% (the National standard)

Increase youth retention to 69.6% (was 69.5% in 2009)

Retain 90% of our units. (97% in 2009)

District Committee members: grow from 26 (2009) to 27 registered members.

Commissioners: Determine who are the active commissioners and grow in number of active commissioners. We had 32 registered unit commissioners in 2009.

(l-r) District Commissioner Mark Witzel, District Director Vic Enchelmayer, and District Chair Frank Kebelman.

Our members at the planning meeting

(l-r) Advancement Chair Jack Cater and Bitani Order of the Arrow Advisor Steve Saylor.

Assistant District Commissioner George McMahon and Frank Kebelman.

The District Director Minute

By Vic Enchelmayer

Happy February to all our Scouters! I am happy to report that the year is off to a great start and I am committed to assisting our district to become Quality District in 2010. You all are critical to us accomplishing this in 2010. Thanks for your personal efforts to help us get there.

We are off and running on FRIENDS OF SCOUTING for 2010. Most units are now scheduled for a presentation. We are getting the remaining ones set and thanks to Laura Mulroy for assisting with Family Friends of Scouting. Our two LDS Stakes are setting up for February contacts with each family in their respective wards. Your support is most appreciated. We hit 103% of our goal in 2009! Thanks to all of you!

Scout Fair Ticket Sales are about to kick off on Thursday at Roundtable (February 11). Please have a unit representative at roundtable to pick up tickets for this year's Scout Fair. It is a coupon book this year and is full of great coupons. It should be an easy sell and our commission plan is really great. The sales campaign is Feb. 11-Apr. 17. The big show is in April on the 17th, at Qualcomm Stadium in San Diego.

Scouting for Food is nearly here. March 6 and 13 are the dates. Come to roundtable to get your materials and map out your turf for the big food drive. Ruby-Michele Taylor-Gay is our chair again this year.

Service Day is April 24 and we are teaming up with Rotary Clubs to do a morning of community service that day. We hope your scouts can participate. More details at Roundtables. Terry Nani is the coordinator for our district.

So, as you see, we are off to a busy first part of the year. Thanks for all you do for Scouting!

delivered directly to the Salvation Army or to Brother Benno's without stopping at Walmart. Our goal this year is for every Scout and Scouter to contribute ten pounds of food. That sounds like a lot, but I think we can do it. More information will be provided via the Council website and at our forthcoming February Roundtable. Let's all contribute to helping those less fortunate than ourselves.

Finally, we will soon begin selling Scout Fair Tickets/Coupon Books. A flyer outlining the program will be mailed from the Council to every Scout and Scouter. Don't forget that each boy gets a four dollar commission on every ten dollar coupon book sold. That can certainly help defray the cost of summer camp. I would also like to see every Scout and adult earn the special 100th anniversary FOS CSP by selling a minimum of 5 coupon books. More would be wonderful, but if each of us commits to selling just five books, and thus raising \$50.00, we will easily exceed the total amount raised last year. More information will follow, but this is another terrific opportunity to help celebrate our 100th anniversary.

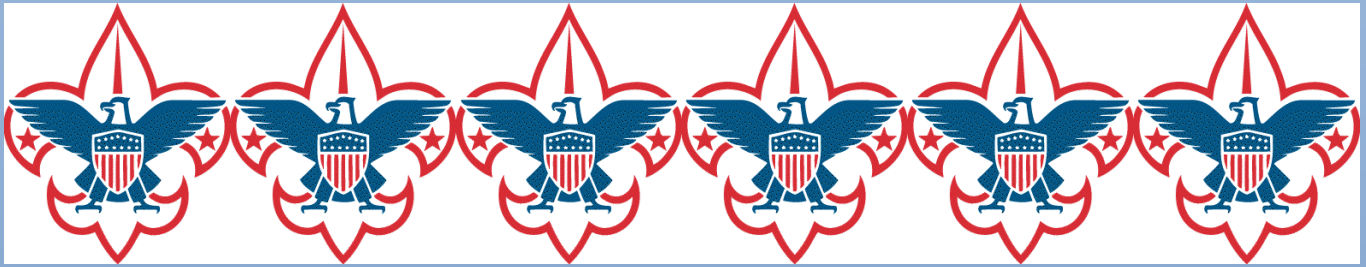

Thank you for all you are doing for Scouting.

Merit Badge Update

Registration as a MB counselor requirements:

(a) Be registered anywhere in the council in any position - if not, fill out an adult application, (b) Completed YPG (Youth Protection Guidelines) in the last 2 years, (c) fill out a MB counselor form located on the council website and send it in.

New merit badges for this year: Scuba, Geocaching, Inventing and Robotics. Scuba has been released - the pamphlets are available and counselors can now sign up now. Geocaching, Inventing, and Robotics will be released at a rate of one per calendar quarter this year. We do not know the order of release. Until the release you cannot sign up as counselor or purchase badges.

Historic Merit Badges: Four badges; Signaling, Pathfinding, Carpentry, and Tracking will be available for the Scouts to earn this calendar year. All of the requirements must be completed by December 31, 2010. National has not released the official requirements, but they should be published by the end of March. Counselors will not be able to register and badges cannot be purchased until the official release.

Merit Badge List: In the past at SDIC, a counselor could request that their name not be on the council merit badge database that is posted on the website - essentially they just wanted to do MB's at their own troop. Beginning this year, all registered MB counselors will be listed on the council site. If you do not have the time to take on new scouts, simply state that when they call.

Belcher Eagle Scout Scholarship Program

This scholarship opportunity is now available to graduating high school seniors who are Eagle Scouts and will be entering a college or university this year. Deadline to apply is March 31, 2010. The application is at sdicbsa.org on the front page.

Many of our merit badge counselors received this letter from council recently. As you can see you must fill out a second adult application to become a merit badge counselor. In addition, sometimes the online training is not being recorded. So your best bet is to attach a copy of your YPG training card to your application so this will not hold up your application.

January 28, 2010

Prospective Merit Badge Counselor,

Thank you for your interest in becoming a Merit Badge Counselor with the San Diego-Imperial Council, BSA. We will need to receive an Adult Application for 2010 *before* we can process your request. Please include the "Disclosure/Authorization Statement" portion of the application when submitting.

There is no fee if you plan on acting as a Merit Badge Counselor only. The application can be found on our website: www.sdicbsa.org, Forms, Membership, Adult Application. From here you can print and fill the form out. In the "position" portion please enter, MBC Only.

Please note at this time we do not have current YPG on record for you. Remember the Youth Protection Guidelines, effective January 1, 2009, YPG is only valid for 2 years. You can take the online training which can be found on our website.

Once we receive your application we will process your request and you will be registered until December 31, 2010. I will send you a Merit Badge Card as your confirmation when you are in our system. Thank you so much for volunteering with our youth program.

Leave No Trace

Dale Long, Council Outdoor Ethics Advocate, is starting a Leave No Trace program directed by National for our council. He is beginning his training program and his first Leave No Trace "train the trainer" program will be held on April 30 - May 2, 2010. This is going to be an ongoing training so we can get all interested volunteers trained. The idea is to have trainers in each district that can help the districts with incorporating LNT into our outdoor training programs. Right now we are seeking those who are already LNT Trainers that can help Dale Long run this upcoming training. If we can increase the training staff, we can open the class to many more. Please contact Dale Long directly if you can help. His email is: dlong1@san.rr.com
