Editor's Thoughts...

By Pam Dixon

What a great month for Scouting April turned out to be! In addition to our regular outings and activities we squeezed in the Scout Fair and the Eagle Recognition Dinner. As all of you know, it takes many people working "behind the scenes" to put on these events and make them special. Thanks to everyone that helped pull off these events – your work is much appreciated!

Thanks also to all who have taken the time to submit articles to the SM Messenger. To make this a successful newsletter, it takes all of us to come together and share information. We are always looking for news on upcoming events in the units and fun things to share with our district. How about having your scribe write an article or submit a photo? The more input – the better! The deadline for articles for the next issue is May 21st. Thanks for your help!

A Note from the District Chair

By Frank Keberman

Dear Friends,

I hope everyone enjoyed the Scout Fair as much as I did. It was great to see all the Scouts and their parents, the adult leaders, and the many people who just came out to enjoy the day and help us celebrate the 100th anniversary. For those unit leaders who have not finished turning in the money raised from ticket sales or remaining coupon books, please begin to do so. Also, I have the CSP's for all those who sold five coupon books. Please contact me so that we can make the necessary arrangements to distribute them.

By the time you read this we will be having our District Camporee. I know it will be a spectacular success because Marcus Sneed, Kirk Wille and the camporee staff have worked for months preparing for it. What a great way to celebrate the 100th anniversary and to gather together as a District. Thank you Marcus and Kirk for taking the initiative to make this happen.

I want to also take a moment to say thank you to all who supported me during my tenure as District Chairman. What a great District we have! So many wonderful Scouts; so many talented leaders. We are indeed blessed. I have enjoyed serving as your Chairman and look forward to helping out in another position when Cookie and I return this fall. I know that you will give the next Chairman the same great support I received. We have made progress, but there is always more to be done. With your support, I know we will earn the Quality District Award this year.

The District Director's Minute

By Vic Enchelmayer

Scout Fair was a great success and it was a thrill to see so many of our Santa Margarita scouts and families at the event! We earned third place out of 11 districts in the San Diego 500, pinewood derby! We had three scouters present to receive their Wood Badge Beads! A fourth was unable to attend.

April also included our *District Camporee* and thanks to the committee for organizing such a great event. Look forward to the *Councilwide Camporee* in October.

The annual district dinner is sure to be a great success on May 6, and thank you to the dinner committee for your fine efforts, and the Award of Merit selection committee for selecting six fine scout leaders to receive the award this year. We want to thank this past year's District Chairman, **Frank Kebelman** for his wonderful service as our District Chair. Our district has come a long way under your leadership, Frank. We are currently even on units, ahead on membership and over 93% on Friends of Scouting pledges as of late April. Our goal is to wrap up the Friends of Scouting in early May and hit 100% of our goal.

As we move through our centennial year, I am reminded of a plaque I saw on the wall of a prominent business within our San Diego Imperial Council, that I feel represents our mission as a district committee and commissioner staff, to our units, our scouts and scouters.

Our Pledge to You

"We make commitments, not promises. We acknowledge that no detail is too small. We take pride in our reputation for honesty and integrity. We apply our knowledge and experience to help you fulfill your dreams. We continue to set standards in our industry."

District Chair's Comments- Continued from page 1

Although everyone who wears the Scout uniform has contributed to our success this past year, I would like to offer special thanks to several people. First of all, Vic Enchelmayer. As District Director, Vic does so much for us, works so many extra hours for our District and the Council, and performs so many tasks that go unnoticed by most Scouters that it is impossible to list them all. Next time you see Vic, take a moment to say thank you. He has certainly earned it many times over. Pam Dixon, our Eagle Coordinator and Newsletter Editor, truly exemplifies the unselfish attitude we call "Scout Spirit." Her tireless efforts on behalf of Life Scouts working toward their Eagle rank, her personal development and publishing of this newsletter, and her leadership of our District Recognition Dinner team have been critical to the operation of the District. Pam, you set an example for all of us, and are truly the "heart" of this District.

Thank you for your many hours of service. George McMahon, Richard Preece, Steve Saylor, Wes Scarbrough, Marcus Sneed, Jon Studer, Tedd Theodore, and Walt Treadwell have also gone "above and beyond" to help us find creative solutions to the issues facing this District. Gentlemen, your leadership, dedication and capacity for hard work have made all the difference. I am proud to serve with you.

Finally, we owe a great debt of gratitude to two special friends of this District. Sean Roy and Dick Kelly have worked tirelessly to help us achieve our goals in this very busy year. Their wisdom and guidance have helped make my job much easier. I truly don't know what I would have done without them. They are exceptional Scouters and wonderful friends! Thank you both for your terrific support of Santa Margarita District.

Thank you all again. Happy 100th anniversary. And may God continue to bless the Boy Scouts of America and our great District.

Cub Scout Pack 7146

Pack 7146 in Oceanside is a small, but motivated pack, sponsored by American Legion Post 146. In this first year of existence, every activity is a first for us as a Pack. In keeping with that 'everything is a first' theme, Pack 7146 will be conducting a 'Spring Cleaning' rummage sale on Saturday, May 22, 2010. Why a rummage sale? Well, Pack 7146 is about to have its first group of Bears move to Webelos I and, to get them started off right, the Pack is fund raising in order to send our first Webelos to camp in June.

The rummage sale will be held at Foussat Elementary School, 3800 Pala Road, in the parking lot, from 7 a.m. – 2 pm on Saturday, May 22, 2010. We encourage other scouts and their families, friends and communities to come out and help us earn the funds to send these awesome young men to their first camp! Foussat Elementary is a quarter of a mile west of Douglas Road, approximately 1 mile north of Hwy.76.

If anyone has anything they'd like to donate or need directions to the sale, please call the Cubmaster, Marty Hammonds, at 760-622-2219. Scouts Rock!!

BOY SCOUTS OF AMERICA ★ 100 YEARS OF SCOUTING

CELEBRATING THE ADVENTURE ★ CONTINUING THE JOURNEY

Did you go to the Scout Fair this year? Did your scouts earn the Space Exploration, Reptile and Amphibian, or Railroading Merit Badge? If so, you know about the great volunteers that were hanging out all day at these booths. Those Merit Badge booths were run by four very special volunteers from Santa Margarita District.

Thanks to all of them - Scot Hogan who ran the Space Exploration Merit Badge booth, Jim Hunter was at the Reptile and Amphibian booth and Tim and Sharon Baker handled the Railroading Merit Badge booth.

Caught having fun at the Scout Fair!

Congratulations, Ian!

Third place overall winner from San Diego - Imperial Council!

First Place winner from Santa Margarita District!

What a racing season Ian from Pack 751 has had! He won first place at his own pack race which entitled him to race his car at the 2010 Scout Fair. With the crowd roaring, all the Santa Margarita cars lined up and off they went. Ian won 1st place for our district! Next up was the San Diego Imperial Council race to see who would earn top honors as one of the fastest cars in the council. Our very own Ian won 3rd place overall. What an accomplishment! Congratulations, Ian!

The Commissioner's Corner

Our Chartered Organizations –

During this 100th anniversary year of scouting, unit leaders have a rare opportunity to change history or even go back in time and ‘right a wrong’. What I’m suggesting is the chance we have this year to create a proper relationship with our chartered organizations. Something that many of us wish that we had, but seems impossible to attain. Well, this year that all can change! This is a special year; the 100th anniversary of Boy Scouts of America. It is a big deal and it provides the perfect ‘excuse’ to approach your chartered organization with a new, fresh start by enabling the introduction of fresh ways to develop and improve your relationship.

The easiest method to improving the relationship is the presenting of the unit charter. The unit charter presentation can be looked at as a boring, administrative event; this could not be any further from the truth. The unit charter presentation is a unique opportunity to involve the chartered organization into the happenings of the scout unit, and vice a versa.

For many units, the chartered organization has almost no involvement during the year with their scout unit(s). Usually the

involvement and interaction is limited to the Chartered Organization Representative (COR) who may be somewhat active in the scout unit as a committee member, signing off new leaders, etc. And often, even with an active COR, the interaction between the scout unit and the chartered organization can still be minimal or even non-existent.

But that all can change! This is a special year. Make a big deal out of the presentation of the 2010 charter. Plan and arrange for a charter presentation ceremony at the chartered organization’s location or event. If your chartered organization is a church, then arrange to present the charter during a church service using both scouts and leaders in an impressive ceremony. If a social or service organization, such as VFW, American Legion, Rotary, etc, then arrange to conduct a special chartering ceremony at the chartered organization’s location during one of their meetings. A successful charter presentation ceremony will bring increased awareness and appreciation by the organization’s members of their scout unit(s). Sharp looking, well behaved scouts can leave a warm, impressed feeling with these members.

But it all starts with the COR. Reach out to your COR and also the organization’s executive officer. Invite them to annual dinners, courts of honor, and special meetings. Put them on your unit’s mailing list. Get your COR trained! Invite them to attend basic new leader training sessions. At least get them to work through the online training. Be sure to recognize the COR and his/her training certificate at the next unit awards ceremony.

In this special year, ask your COR how your Scouts can become involved in activities for the chartered organization. You can invite the leader (pastor, president, etc) from your chartered organization to pray or speak before each unit meeting and to attend special events (Blue and Gold Banquet, Eagle Courts of Honor, etc). When your scouts work on their religious emblems, invite that leader (especially if a pastor) to help quiz and check the scouts during their final lesson and evaluation, and then invite and involve them in the award ceremony.

As a way of informing and teaching the entire chartered organization, consider preparing a report on the unit’s status. Maybe orally present the report; give a “State of the Unit (Troop, Pack, etc)” address. Be sure to discuss current enrollment, activities, advancements and awards (including the religious awards), fund-raising and operational concerns.

We have a rare opportunity during 2010 to greatly improve our relationship with our chartered organizations. Making the effort, and caring enough to go the extra measure, can create tremendous goodwill that can springboard into numerous opportunities for the scout unit and chartered organization to support and serve one another. This year, the 100th anniversary year of Boy Scouts of America, can be the “beginning of a beautiful friendship”.

Did you hear???

We have a new Santa Margarita Honor Unit Program! All units should participate!

This is a brand new program geared for the units in Santa Margarita! When completed, your unit will receive an Honor Ribbon for your troop flag.

Requirements are easy - training, attend events, service - things you are already doing! The Honor Unit Requirements and application are available through your unit commissioner, or you can contact our District Commissioner Mark Witzel at: majbitter@gmail.com.

Wood Badge Corner

Three of Santa Margarita's finest were in attendance for this year's Wood Badge beading ceremony at the Scout Fair. The newest members of Gilwell Troop 1, proudly displaying their neckerchiefs, woggles, and beads are (l-r) Dave Hamilton, Kelly Miller, and Ron Anderson. Congratulations, you critters!

Hello Scout Leaders, Scouts and Parents:

This is to let you know about an incredible experience planned by the BSA San Diego-Imperial Council for May 8th called The University of Scouting. It is the largest training event of the year. There will be classes for Cub Scout, Boy Scout, Varsity, and Venturing leaders, Commissioners and Council/District committee members, as well as Boy Scouts of 1st Class rank or higher, and Venturers.

We also want to encourage interested parents to register so they can become more familiar with all areas of Scouting, and get a glimpse of what the future of Scout involvement offers your youth as they transition through the Scouting program. There will be classes specifically designed for Boy Scouts and Venturers in: Leave No Trace, Troop Leadership Training, Native American dance, Youth Camp Staff, Where to go on Outings, Life to Eagle, Crew Leader Training, etc.

Both adults and youth will enjoy a full day of interesting and rewarding classes. Adult topics are listed in the course catalog and too many to list, but as a sample, there are classes in Geocaching, the Eagle Process, Working with and Motivating a Crew, Religious Emblems, Flag Etiquette, Compass, You, Scouting and the IRS, and many, many more. We are planning to hold a University of Scouting on an annual basis, as we kick it off in 2010 to celebrate the 100 years of Scouting. It is supplemental leader training at its best, and designed to provide program ideas, resources and FUN for all. Units are encouraged to bring their Scouts, Venturers, leadership team and potential new leaders, as well as parents that have an interest in learning more about the Scouting program.

You will be able to select six classes from the College of Cub Scouting, College of Boy Scouting, College of Venturing, College of District Operations, College of Commissioner Science, Junior College of Leadership (youth only), and College of General Education. The University of Scouting training program follows a design similar to a real university or college. Since this is everyone's first year at the university, all in attendance will receive a Bachelor's Degree (if all six classes are taken). Next year, you would register for a Master's degree, third year for a Doctoral degree, and fourth year for a Post-Doctoral Fellowship.

There are no restrictions on courses unless a prerequisite is noted or it is noted for youth or adult only. Participants may take any course offered regardless of whether it is General Studies, District Operations, Commissioner Science, Cub Scouting, Boy Scouting, or Venturing. The Junior College of Leadership is for youth only, and many classes in other colleges accept youth attendance as well.

Come celebrate 100 years in Scouting by learning more about what Scouting has to offer to you and your family!

Please access the registration form on the council website:

Board of Review Update

At all Eagle Boards of Review, we will be limiting guests of an Eagle Candidate to his Unit Leader and his parents or guardians. This will give the Eagle Candidate the opportunity to meet and socialize with the other Eagle Candidates being reviewed the same evening. It will also give the unit leader and the Eagle Candidate some time to ready themselves before going in for the Eagle Board of Review. Thanks for your cooperation!

Monthly Eagle Helpful Hints

These hints are to help you guide your scout when putting together his completed Eagle Project Workbook and Application. They are just suggestions and are not required. As a unit leader, please realize that Eagle Board members have a minimal amount of time to look over a scout's book before his board – some of these hints help to make that process easier.

A 1 ½” or 2” notebook is a good size.

A notebook with inside pockets helps keep letters from getting lost.

Plastic sheet protectors are great! Many people look at the book and the protectors help the pages stay intact.

Santa Margarita's Team Eagle Presents Ramblin' Ricky!

Mac & Ramblin' Ricky

We'd like you all to meet Ramblin' Ricky! This furry little scout is helping us to celebrate our anniversary year by touring the countryside with units from all over the district. He's been busy posing for photos, collecting patches and pins, and attending special events like the Scout Fair and The Eagle Recognition Dinner. Ramblin' Ricky will be traveling around to different Scouting events for the rest of the year. On his travels, he wants to keep smiling for the camera and hopefully get a patch or pin to add to his collection.

Ricky has offered his scrapbook of goodies as an opportunity drawing prize to help close out this historic year and to support Team Eagle! And of course, wherever his scrapbook goes, Ramblin' Ricky goes too! He already has plans to attend the National Jamboree, the Council Camporee, and is eager to attend your campout or special event as well. If you'd like to adopt Ricky for the weekend, contact Pam Dixon- northcountyeagles@hotmail.com

Help support our Life to Eagle Training and our Eagle Program – all proceeds will go to make these programs better for our district's Eagle Scouts. More information on purchasing a ticket for the opportunity drawing will be coming soon.
