Editor's Thoughts...

By Pam Dixon

A big thank you to all those that volunteered with the SDIC Eagle Recognition Dinner that was held last month on the Midway. The dinner was a huge success and Santa Margarita was in full force with over 25 Eagle Sponsors and 33 Eagles in attendance! I personally wish to thank those that helped with a donation so that others in our district could attend. It is truly appreciated! We had a few behind the scenes workers from our district that I would also like to thank. Ken Kooyman and Bob Dixon both helped with set-up and Judy Enchelmayer was a wonderful asset at the registration tables! Check out the photos (beginning on page 14) of some of those in attendance. I hope all had a wonderful time and I can't wait until next year!

A Note from the District Chair

By Dr. Kevin Chalk

I hope that all is going well as summer is approaching. As our scouts finish up school in the next 5 to 6 weeks I hope we have all planned a busy and active summer with reservations already in for this year's summer camp.

I was impressed as I looked at several of the troops who were involved in the scout fair with all the activities that were there. This year's fair was certainly full of many good ideas for our units.

I hope to see all at the District Dinner this next Thursday. Many hours of planning have gone in to making the evening a special occasion.

I would hope that all our units would have representatives attending to appreciate those being acknowledged for their service and achievements.

The District Director's Minute

By Vic Enchelmayer

It is May already! We have much to celebrate in our district at the big Santa Margarita District Dinner on Thursday May 5th. (Final RSVP's due in by Monday the 2nd). Hope to see many of you there.

Our chairs are **Sandy Hendron** and **Tedd Theodore**. We achieved *Centennial Quality District* for 2010, and are well on our way to a fantastic 2011. Go for the Gold! There are six who have been selected for the Award of Merit and a great Thank You to **Jim Frederick** and his committee for conducting the selection of the six recipients for this year. We also have over 75 named for the Driving Force Award. Awesome! Come to the dinner to find out who these all stars are!

Thank you also to **Kirk Wille**, **Marcus Sneed** and the Camporee committee for conducting this year's Camporee at the Vista Antique Gas and Steam Engine Museum! Close to 400 is the count I have heard for the event!

It was also great to see so many of you at the Scout Show, the Eagle Banquet and Scouting For Food events. Special thanks to **Frank Keberman** for heading up the ticket sales for Scout Fair (all unsold books and monies are due in NOW). And a big Thanks to **Ruby-Michele Taylor-Gay** for heading up a very successful Scouting For Food. (She is moving to New Jersey this summer and we will certainly miss her and her family!)

As we enter the summer I am already thinking of the Cub Scout Day Camps that are coming up soon. By this week, both should be on the website and registration spots will fill fast. **Amanda Rigby** and **Walt Brown** are the directors this year. If you wish to assist them or to find older Boy Scouts and Venturers to help, please let them know. Carlsbad dates are June 27 through July 1 and Vista is July 11-15.

Last night we reviewed seven Eagle Scout candidates at the board of review and it was, as usual, an incredible experience! There were four separate panels set up for the reviews. **Pam Dixon** does a super-fantastic job in organizing everything for these events!

I appreciate EACH one of you and the hundreds of others who are volunteers in our units. Great Scouting to you!

Yours in Scouting,
Vic Enchelmayer,

District Director of the BEST
DISTRICT IN AMERICA!!!

A note from the District Chair continued

We will also be reviewing all the wonderful activities that several of our units participated in.

Happy Scouting and continued success to all.

The District "Thumbs Up" Award

This month we honor two very special people in our district for their wonderful contributions. Congratulations to Jack Cater who recently stepped down as our longtime District Advancement Chair. His dedication to the program helped make our district program stronger. Thanks, Jack! Congratulations to Ruby-Michele Taylor-Gay who has run our Scouting for Food Drive for the past few years. With her leading the way, we have gone beyond all our goals to support our community. Our best to you, Ruby-Michelle!!

“A Legacy of Values” Newsletter

THE LEGACY LATEST: RECENT UPDATES

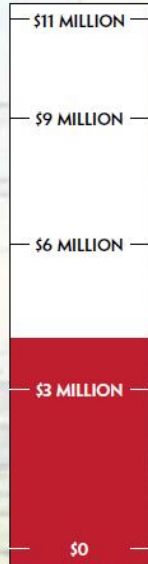

For years, Scouting’s mission to serve youth has been under attack by ongoing litigation from the ACLU to eliminate our use of Camp Balboa and our Youth Aquatic Center because we built those facilities on city-leased land. This would not only eliminate a permanent staff support center, but meeting and training facilities, campground, and Scout Shop as well. Although the Board of Directors expects a positive outcome in the next few years, the *Legacy of Values* campaign allows Scouting to “Be Prepared.”

Last March, the Legacy of Values Campaign kicked-off with the recognition of our lead gift, \$2 million from Jack Filanc for the new Filanc Scout Resource Center. A year later, our campaign total has risen to \$4.3 million from community leaders and Scouting supporters from inside – and outside – our community.

These gifts have brought the campaign to the brink of action. With some additional support, we will soon be able to move ahead with plans to acquire the Filanc Scout Resource Center. Already, gifts have allowed us to begin renovation of Mataguay Scout Ranch with a new showerhouse, completed ADA-compliant cabin, and renovated campsites.

And the best is yet to come!

Please review the information provided and consider one of the many ways that you might be able to help. Whether donating services and supplies to passing the word to other interested friends, family and colleagues, to (of course) making a personal or corporate financial commitment, Scouting wins when you get involved.

HOW TO HELP

The Legacy Campaign for the San Diego – Imperial Council, Boy Scouts of America is a once-in-a-generation effort to strengthen Scouting in our community for the next one hundred years.

Donors to the campaign will be acknowledged on a recognition wall to be displayed prominently at the new Filanc Scout Service Center and improved Mataguay Scout Ranch for gifts in excess of \$5,000 immediate or \$25,000 deferred giving. Additional acknowledgments will be made for naming opportunities. *Leadership gifts of \$10,000 and above can be paid over five years through monthly, quarterly, annual, or one-time payments.*

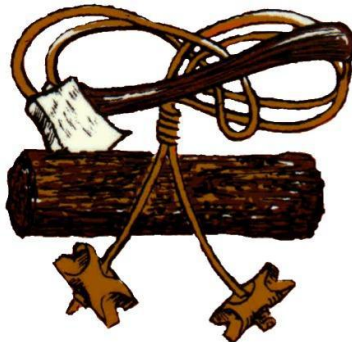

NAMING OPPORTUNITIES

100 years of Scouting values has left an indelible mark on America. Every gift to our Legacy of Values Campaign will help us prepare for our next 100 years. Every gift will be gratefully accepted and appropriately recognized. Collectively our gifts will ensure a rich legacy to our children and their children to keep Scouting strong and America great.

Certain gifts include additional recognition, among them naming opportunities for facilities. Please consider these options as you are determining your own giving level. These may be done in your own name, company name or in honor or memory of a special family member, Scout or Scouter.

The campaign offers several ways to make significant gifts, ranging from cash (immediate or payments over time) to deferred gifts (estate planning/bequests) or combinations of both. In-kind gifts (i.e. construction services, phone systems, etc.) will also be necessary to complete our vision and will also be appropriately recognized.

The options above are just a few of many available ways that you can support Scouting through the Legacy Campaign. Further explanation on these and information on other giving options are available by contacting Walter Mueller at the local BSA Development Office at 619-298-6121 x274 or walter.mueller@scouting.org.
