EAGLE SCOUT AUSTIN MURRELL WITH HIS PARENTS

2012 Is Off To A Great Start !

From the Eagle Board Chair -

The 2012 Eagle Program roll-out was a huge success! With the introduction of the new Eagle Workbook, we held two Life to Eagle trainings with over 175 in attendance. We're also starting the year with 10 new Eagle

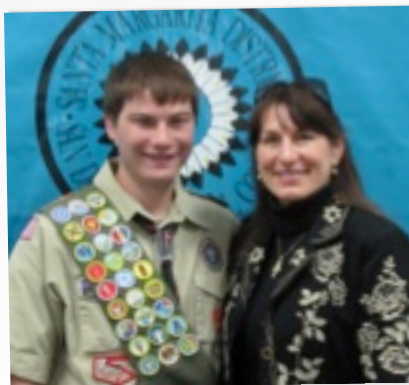

Scouts from our District. And so, with all the changes and information being handed out we have launched a brand new Santa Margarita Eagle website. This site will contain dates for upcoming trainings, Eagle Counselor contact info, and updates as they

happen. We hope this new website will make it more convenient for everyone to navigate the Eagle program. To check out the website, go to: northcountyeagles.org

Please give us suggestions on making the site better!

Special badge for Scouts who earn Eagle in 2012

Know a Scout seeking a little extra motivation to finish his Eagle requirements this year? I've got it.

To celebrate the centennial of Scouting's top honor, all recipients of the Eagle Scout Award in the year 2012 will be eligible to wear a special version of the red, white, and blue badge, seen here.

This year marks 100 years since Arthur Rose Eldred became the BSA's first Eagle. Since that date — Aug. 21, 1912 — more than 2 million outstanding young men have earned the award.

The special-edition patch, available at local Scout Shops after the first of this year, will help make an already-special honor even more noteworthy.

Why the special patch? I'm told that after the overwhelming popularity of the [100th Anniversary of Scouting rank badges](#), Boy Scouts of America officials said it made sense to find a similarly unique way to celebrate the 100th Anniversary of Eagle Scouts.

Life to Eagle Training - Jan. 12th & Feb. 9th

Congratulations to the following Life Scouts for completing the Santa Margarita Life to Eagle Training. Each Scout earned our new District "Trained" patch for their efforts. We also had well over a hundred adults in attendance! Thanks to all of them for coming in and learning about the new workbook.
