## Editor's Thoughts...

*By Pam Dixon*

Looking through this issue of the newsletter you will see photos of our scouts in action. They are having fun, staying fit and being active. On page 15 of this issue our Chief Scout Executive Bob Mazzuca has issued a challenge to all scouters to step up and improve our health and fitness. I am offering a challenge to our district leaders. Now is the time for you to get fit and be an example of a healthy lifestyle to the youth we serve. Let's enroll as a group in the Presidential Active Lifestyle Challenge. The goal is simple, for adults 18 and over, 30 minutes of activity a day for at least 5 days a week. It doesn't have to be strenuous activity – gardening and walking both count towards your goal. Let's set an example and get moving. If you are interested in joining our group contact me by Aug 15<sup>th</sup>. Come on, you can do it!

## A Note from the District Chair

*By Dr. Kevin Chalk*

Wow, I have visited with several of the Units the last three weeks and have been treated to some great stories of fun times. The opportunities that scouting offers to the youth in our units are fantastic. I hope you are all having the best summer.

I had a scout from my troop 12 years ago get married this past month. While visiting with his family and new wife they were very grateful for the things he learned as a scout. It is a neat feeling to see these young scouts put into action the things we spent hours teaching .

As you finish up the month of August and wind down the summer camps and long term campouts I again hope you will not forget the journey to excellence and reevaluate your goals and achievements. We as a district will be evaluating

## Scoutmaster's Minute

### Aim So High You'll Never Be Bored

The greatest waste of our natural resources is the number of people who never achieve their potential. Get out of that slow lane. Shift into the fast lane. If you think you can't, you won't. If you think you can, there's a good chance you will. Just making the effort will make you feel like a new person. Reputations are made by searching for things that can't be done and doing them.

Aim low: boring.  
Aim high: soaring.

## The District Executive's Minute

*By Erica Audette*

Santa Margarita has had two successful day camps – Carlsbad and Vista. Thanks to Amanda Rigby, Walt Brown and Linda Matthais, their staffs and all the hard work that went into both Day Camps!

Thanks to the OA for coming out to the Vista Day Camp and bringing alive the Indian Stories to the Cubs, they loved hearing the stories and seeing you all dressed in regalia.

We are still short of our FOS goal, still sitting at 92.6%, please find it in your hearts to give back to Scouting so we can continue to bring great programs, like Day Camp, back to our Scouts.

Cub Olympics is coming up next month – thanks to Lori Peacock and Marty Hammonds for stepping up and keeping this wonderful event alive for our CUBS.

We just started a new unit – Crew 744 in Vista. Welcome to the Santa Margarita Family!

Start thinking about Fall Round Ups and keep the Membership Committee informed of when your Rounds are.

POPCORN Kick off for the Council is on August 20<sup>th</sup> at Camp Balboa from noon to 4pm, the ranges will be open, along with the pool.

End your summer at the Mataguay Scout Ranch Family Camp, Labor Day weekend... look to the council website for more information.

I am off for an event of a lifetime. I am heading to the World Scout Jamboree in Sweden, with a Crew of 36 youth from all around the Western Region. I am looking forward to this once in a lifetime experience, and hope that you all have had those unforgettable scouting moments with the youth that you serve.

Yours in Service,

Erica Audette

From National – “The Boy Scouts of America joins the National Center for Missing & Exploited Children to teach Scouts Internet Safety. Talking to children so they understand the dangers is vital to their safety. Prevention is key. NCMEC offers a free Internet safety program called NetSmartz.”

It's time to start thinking about attending the National Jamboree in West Virginia in 2013! The first Jamboree at our new home will be held July 15-July 24, 2013 and promises to be more exciting than ever! Some of the events that will be included are whitewater rafting, zip-lining, rappelling, mountain biking and challenge courses. You won't want to miss this once in a lifetime event! There are two ways to attend. Applications are now being taken for many of the staff positions at [bsajamboree.org](http://bsajamboree.org). Or if you are interested, our council is putting together a contingent to attend. For more information go to: <http://sdcbsa.org/2013%20Jamboree/>. See you at the Summit!

**from Scouting.org** - Through our 100th Anniversary Celebration, we had a full year of reflecting on Scouting's great heritage. We heard and shared countless stories of the impact Scouting has had on the lives of young people and, indeed, the very fabric of this great nation. As we move forward into our second century of leadership and service, we have an opportunity to help ensure that America's youth are Prepared. For Life.™ and that Scouting continues to affect our nation in amazing ways.

To do this, we're taking specific and intentional steps to be sure Scouting keeps pace with today's society and to strengthen our role as a recognized advocate for young people—on several fronts. One I'm particularly proud of is our focus on the health and well-being of our youth.

Promoting healthy living has always been a very high priority for the entire organization. So much so, in fact, that last year we officially introduced our healthy living initiative, which seeks to make sure Scouts and all young people are healthy in mind, body, and spirit. The initiative grew out of a shared concern about national trends of shorter life expectancy for our young people. We cannot stand by as an organization and let this continue, particularly when we have the tools, the programs, and the passion to help turn the tide.

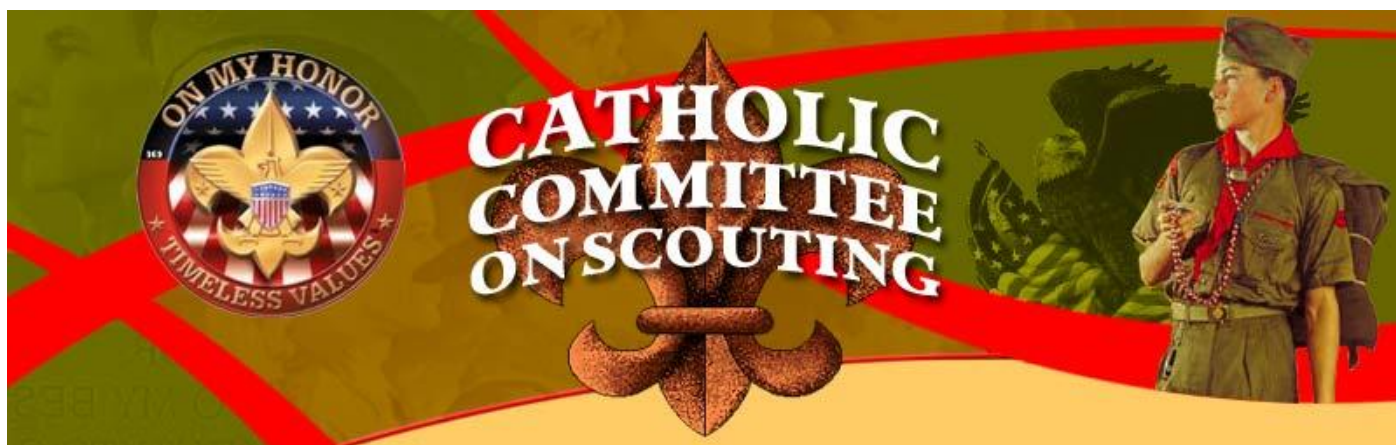

I'm excited that, as part of our healthy living initiative, we are working both with first lady Michelle Obama's Let's Move program to solve the challenge of childhood obesity and with the President's Council on Fitness, Sports and Nutrition (PCFSN) to engage, educate, and empower youth to adopt a healthy lifestyle that includes regular physical activity and good nutrition.

I encourage you to use the tools and resources available on this website to help you in your quest to lead a healthy life and promote healthy living, and I also know that when it comes to health and wellness, you will do what Scouts and Scouters have always done: serve and lead. Our ultimate goal is to promote healthier lifestyles—physically, emotionally, and intellectually—because the health and well-being of our nation depends on the health and well-being of our young people.

For more information on this program and to see the requirements to earn the Presidential Active Lifestyle Awards go to: <http://scouting.org/sitecore/content/Home/BSAFit.aspx>.

These awards are geared for both youth and adults!

# Philmont Catholic Conference

Recently Tony Kyamko-Yap attended “The Scouting in the Catholic Church” training conference at the Philmont Training Center in Cimarron, New Mexico. The purpose of this training is to get the most up-to-date information about the Catholic Church and working with the Scouting community. Congratulations, Tony!

Scouts are encouraged to serve in their communities September 1–10, 2011, using the suggested service projects and posting them to web and social media channels. In addition, these activities should be recorded in the **Journey to Excellence** service program. On September 11, Scouts are encouraged to gather as groups and invite non-Scout friends to watch the movie, *New York Says Thank You*, which tells the story of the first responders to the New York City terrorist attacks and which features Scouts from the Little Sioux tornado tragedy.

June 25 – July 3, 2011  
Cavalcade 625-CW**

Eleven Scouts and three Scouters from Troop 739 and one Scout from Troop 737 embarked on an adventure of a lifetime. We all traveled by train to Philmont Scout Ranch to participate in one of the 24 annual Cavalcades.

All Scouts learned how to ride a horse, tack up and pack a packhorse, and lead a packhorse. We traveled some 54 miles through the wilderness on Philmont Scout Ranch. Along the way we stopped at different campsites to enjoy the featured program. A couple program highlights were learning how to tie a fly-fishing fly, re-load shotgun ammunition, and shoot shotguns on a trap range. We had a great time overall.

Our crew was led by Crew Leader Derek W., Wilderness Pledge Guia, Sam R., and Chaplains Aide Gifted G. Patrol leaders were Travis L. and Blaise L. The rest of the crew members were: Jack B., Mario G., Trevin K., Andrew M., Devon R., Kellen S. (T-737), and Elijah Z. The adult advisors were: Michael Flood, Rich Kraus, and Mark Longhurst

# National Outdoor Awards!

Do you enjoy camping under the stars, rafting a whitewater river, or hitting the trail afoot, on a bike, or even on a horse? Can you pitch a tent, find your way, and bandage an ankle using only materials in your pack? Are you prepared to do any of these in rain, snow, sleet, or heat? If so, the National Outdoor Awards are for you. There is nothing virtual about these awards—you can earn them only by demonstrating both knowledge and experience in the outdoors. So, if you are a Boy Scout or Varsity Scout and think you are tough and disciplined enough to hike or ride the miles, camp the nights, and run the rivers or lakes, then read on and see if the National Outdoor badges or possibly the National Medal for Outdoor Achievement could be for you!

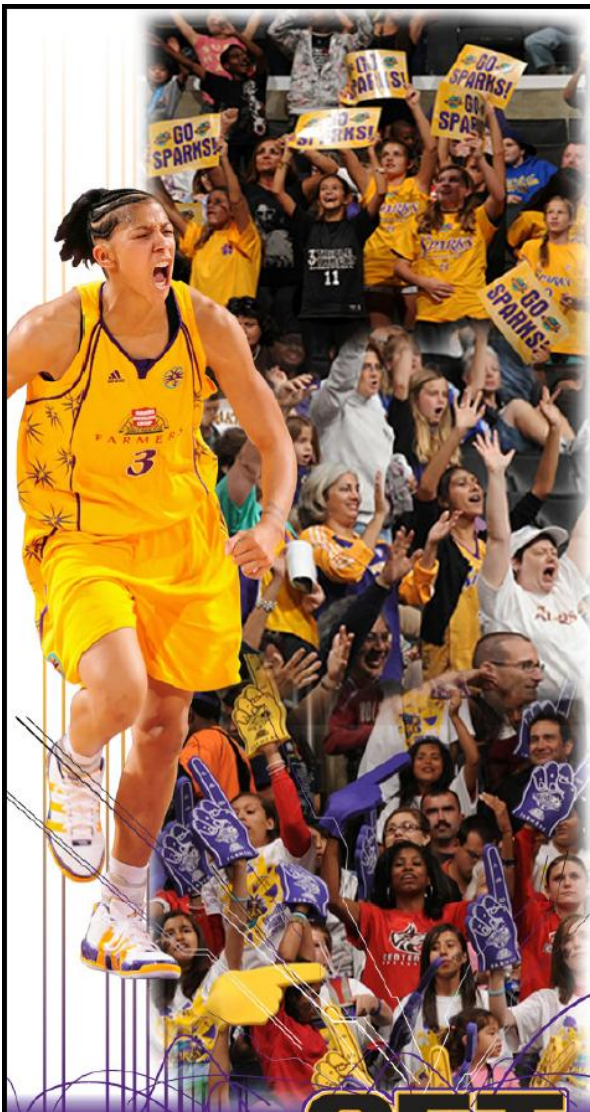

## **National Outdoor Badges for Camping, Hiking, Aquatics, Riding, and Adventure**

Now when a Scout excels in outdoor participation, there are new awards to show for it! This program, conceived by the National Camping Task Force of the BSA®, includes a series of five badges designed to recognize a Boy Scout or Varsity Scout who has exemplary knowledge and experience in performing high-level outdoor activities.

The award consists of five emblem segments positioned around the perimeter of a beautiful center emblem. All are embroidered in full color. The segments represent five areas of emphasis: Riding, Hiking, Camping, Aquatics, and Adventure, with rigorous requirements to earn each segment. The center emblem features an outdoor scene with fleur-de-lis and the words "National Outdoor Awards".

For requirements and application for awards go to:

## Eagle Candidate Good Idea of the Month

Photos make your workbook! A good selection of photos from the beginning to the end of your project helps the Eagle Board Members “see” your project. Please caption the photos. A final photo of you in your uniform at your completed project is a nice addition. Having a parent be your project photographer is always a good idea!
